Homecoming 2016

Friday, October 7
3rd HOUR
Rehearsal as usual (amended class schedule - 9:48-10:37), except Front Ensemble will bring all equipment needed for the Assembly up to the Kamstra Gym at the end of class. **Please wear show shirts for the assembly Friday!**

ASSEMBLY
1:20 Marching Band/Color Guard students dismissed from 6th hour to set-up for assembly. Get instruments/equipment from the band room and report to the gym. Set up in arcs behind front ensemble; color guard fill the floor. We will play Part 3 as students are entering the gym, and we'll do the fight song just before the assembly begins. After the choir's performance of the Star Spangled Banner, we will perform all of Part 1, & Part 2 C-end for the school. At the conclusion of the performance, move everything out the back gym doors and back to the band room. You should then return to the gym to sit with your class.

Color Guard: You must bring (or just wear) your show shirt Friday morning! You will perform at the assembly in your show shirt and jeans.

2:45 Load trailer with tubas, battery instruments, and American squad/FE section stuff back behind the Band/Pool hallway. (Color guard, you will load ONLY your parade flag.)

PARADE
